

THE STATE OF NEVADA
CERTIFICATE OF APPROPRIATION OF WATER

L. S. Corey, Assistant Secretary of
Vineyard Land & Stock Company, has presented to the State Engineer
of the State of Nevada Proof of Application of Water to Beneficial Use, from

two unnamed springs

through dams, reservoir and trough for
stockwatering

purposes. The point of diversion of water from the source is as follows: in the NW¹, NW¹, Sec.
7, T. 43 N., R. 62 E., M. D. B. & M.

situated in Elko County, State of Nevada.

Now Know Ye, That the State Engineer, under the provisions of Section 1272, Chapter 140 Statutes of
1913, has determined the date, source,
purpose and amount of such appropriation together with the place to which such water is appurtenant, as follows:

Name of appropriator: Vineyard Land & Stock Company

Postoffice address: Box 726, Ogden, Utah

Amount of appropriation: 0.015 of a cubic foot of water per second

Period of use: from April 1st to November 1st of each year

Date of priority of appropriation: June 22nd, 1915

Description of works of diversion and use:

At the spring located in the NW part of the NW¹, NW¹,
Sec. 7, there has been constructed a dam and reservoir, while at
the spring located in the NE part of said forty-acre tract a
trough has been installed. Both springs have been excavated
to develop water. In this manner water is conserved for approx-
imately 500 head of cattle.

The right to water hereby determined is limited to the amount which can be beneficially used, not to exceed
the amount above specified, and the use is restricted to the place where acquired and to the purpose for which

acquired.

In Testimony WHEREOF, I, Robert A. Allen, State Engineer

doth call you to my office in the City of Nevada, have hereunto set my hand and the seal of my office, this

5th day of December, A.D. 1923.

R. A. Allen
